

When I buy an Iridium Satellite Phone, what do I get?

What's in the Box?

You get:

- an Iridium 9505A Satellite Phone handset
- A user manual for the phone
- A Personal Hands-Free wired headset with microphone
- A Portable Auxiliary Magnetic Mount antenna
- An Antenna Adapter (for any Iridium external antenna)
- An In-Car-Charger (12V DC Charger)
- An AC (100-240V 50/60Hz) Charger
- The International Plug Kit which gives you all the major AC plug fittings
- A Leather Holster case
- A Wrist lanyard
- A Rechargeable High Capacity Li-Ion Battery (3.6V 2230mAh)

Iridium 9505A Handset

Portable Aux Antenna

Battery

AC Charger and Universal Plug Pack

Car Charger

So, where can I get one?
